- I. **Call to Order** – The meeting was called to order at 10:02 by Margaret Franklin
- II. **Approval of September minutes** – Kelly Tarpley motioned to approve the September minutes. Lajuana Wimberley seconded and the motion passed
- III. **Unfinished Business**

- Packsaddle playground – Heather Zellers updated the committee on the playground situation at PSE. She reported there had been more smolders. Superintendent Dennis Hill is aware of the situation and has stated bids for the repair have been requested and are due by October 22, 2008. Current bids range from \$22,000.00 to \$58,000.00. Coni Milliorn emailed Mr. Hill to request the playground be placed on the agenda for the October 21 school board meeting. She is to call and confirm.
- Recess policy – It was noted that students at LES are receiving one 30-minute recess per week which is optional for teachers. Daily recess is still below recommended minutes. Niki Cockerham noted walking the fence is no longer allowed as a behavior deterrent. A meeting is scheduled for LES parents at 6:30 pm on October 14 for a parental question and answer session. Margaret Franklin also has a meeting scheduled with Mr. Glover, Mrs. Frazier and Mrs. Moresco for October 23 in which the topic of recess is to be discussed. In light of these 2 meetings it was decided the letter from SHAC would be put on hold until the results from these 2 meetings could be known. Information that has been collected for the letter should still be given to Lori Gray in the event the committee decides to compose the letter.
- Junior High curriculum – No LJH representatives were at the meeting therefore there is still no update on whether the curriculum is being implemented.
